Summary of Legislation: This bill provides that, after June 30, 2011, a campground that is billed a flat rate for sewage service may not: (1) elect to install a meter to measure sewage discharge for billing purposes; or (2) be billed based on residential equivalent units. It provides that after December 31, 2012, a campground may not file a dispute with the Indiana Utility Regulatory Commission (IURC) concerning metered or residential equivalent sewage billing. It also makes conforming amendments.

Effective Date: July 1, 2011.

Explanation of State Expenditures: *IURC:* This bill provides that a campground may not file a dispute with the IURC concerning metered or residential equivalent sewage billing after December 31, 2012. This bill could decrease administrative expenditures for the IURC by a minimal amount.
